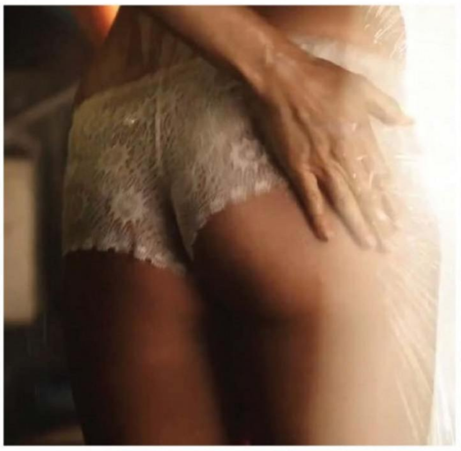
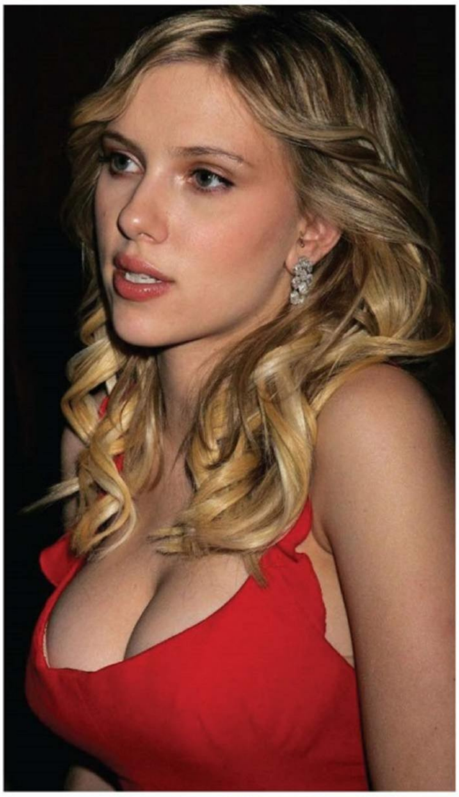
FRIENDS WITH BENEFITS!

It seems like a long time since Jennifer Aniston was known as the fit one in *Friends*, and while her cinematic career has been patchy (we like her in *Office Space*, er, that's about it), she's always been guaranteed eye candy. Albeit eye candy with the wrapper on. Yup, she's not one for screen nudity, and when we heard she was playing a stripper in 2013 comedy *We're the Millers*, we didn't get our hopes up. We were right not to, although her chaste striptease is still wankworthy, even if you can't see her central perks. Hold on, what's this? Ah, the extended Blu-ray cut has some behind-the-scenes footage that shows her bra started out as see-through then was digitally altered. She does have nipples after all!

Post CG: No-nips!



Pre-CG: Yes-nips!



About to rub one out...

SCARLETT WOMAN!

We split up our days into working, sleeping, commuting and thinking about Scarlett Johansson. We still get whatever the male equivalent of a wide-on is (a hard-on, is that it?) when we think of her pink knicker-clad bum in *Lost in Translation*. But she's also an actress who, while voluptuous and gorgeous in every possible way, has skipped screen nudity. She's like Jennifer Aniston but in better films. Her latest, *Don Jon*, sees her starring opposite a porn fiend played by Joseph Gordon-Levitt. You might expect Miss Johansson to be down on porn after starring in this cautionary tale, but, as she told *Marie Claire* magazine, that's not necessarily the case. "I think porn, like anything else, can be enjoyed. It can be productive for both men and women." By 'productive' we assume she means she can rub one out to it. She went on to say, '"If I found out my boyfriend watched that much porn I would be totally flabbergasted, for sure." We'd assume he was wanking over gifs of her in a swimsuit, just like us...

BARGAIN CUNT!

We like to bring you news of people successfully / unsuccessfully auctioning off their virginity / dignity. A teenager in Siberia recently joined the throng cashing in on their sexuality, but then what else is there to do in Siberia? 'Shatuniha' from Krasnoyarsk, Russia, posted an online advert saying she was prepared to meet at a hotel in Predmostnaya Square and would bring along a certificate proving her 'innocence'. The starting price was 800,000 rubles, but she ended up getting 900,000 – about £18,000. Police didn't intervene, saying she'd broken no laws and 'We have no rights to give a moral assessment of the girl's actions.' It wouldn't have happened on Stalin's watch, that's all we're saying…

Next up at Sotheby's...

GLAND OF THE RISING CUM!

Say what you want about the Japanese, they're pretty inscrutable. Or is that the Chinese? We're confuciused. Anyway, while we don't have Clive James on the telly any more to poke fun at their TV shows, we can look on the internet and poke fun instead. Yup, only in Japan could they have a show called *Orgasm Wars* where gay male porn stars perform fellatio on straight male porn stars who are desperately trying not to blow their stack. We say 'only in Japan', knowing that somewhere a TV executive is already pitching this to E4. We'd like to see *Fifteen to One* re-imagined as a blowbang. Or just replace *Deal Or No Deal* with a loop of an old porno from the '70s. It would be a vast improvement.

Your parents are very proud!

Top 5 Sexy Sports

There are some sports - mainly ones involving hot women and skimpy outfits - that we wish got more coverage. Here are our top 5 picks of sexy sports we'd like to see more of...

1) Cheerleading – We're not talking American high-school stuff here, but the proper professional, all-star ladies that compete in the likes of the NFL or NBA Cheerleading Leagues. Give me an "OH" and a "YES!"
2) Women's Tennis – There are knicker shots all the time!
3) Beach Volleyball – The "uniform" for this sport is a freakin' bikini!
4) Figure Skating – Hard, cold ice and tight, revealing dresses; this may be a winter sport, but it's definitely hot!
5) Lingerie Football League – Existing in America, there are currently 12 all-female American football teams and they play in bras and hotpants. Oh, and helmets and shoulder pads too. Less sexy, but perfect for when the action gets rough.

Eight Anal Disasters

Butt plugs and anal beads are designed for putting up yer' bum. The following 8 items are not, but have been fished out by A&E staff around the world...

1) Vibrator and salad tongs – First he lost the vibe, then tried to fish it out with salad tongs, which got stuck.
2) Snooker Ball – If inserting a snooker ball into your rectum was the forfeit, that's one game of pool you wouldn't want to lose.
3) Live Ammunition – A WW2 veteran said it helped his piles. A bomb disposal squad was needed to remove the shell!
4) Eels – There are a few accounts of this happening and in each case the eel has tried to gnaw its way out. Ew and ow.
5) Toy Car – Done deliberately on *Jackass*. Oh, those blokes were funny, eh?
6) Concrete – A guy and his boyfriend in America got hard at the idea of a concrete enema.
7) Keys – The one place you'd never think to look.
8) Toolbox – In 1986 two doctors discovered a record of a convict trying to stick the contents of a whole toolbox where the sun don't shine, so he could later use them to escape.

California LOVE

Is there a luckier dude than David Duchovny? All these girls here – and more – are his co-stars in Showtime's *Californication*, which has been dropping tits and arse all over the schedules since 2007. Just call it *The SeXXX Files*, why don't you? Of special note are Eve Amurri Martino and Camilla Luddington but, to be honest, turn it on at any point and there'll be some boobs. Magic.

ALETTA

Any fan of Aletta Ocean will know how rare these photos are. Why? Because this babe is rarely pictured without someone hanging out the back of her. Photos of her not being plugged by 1-3 cocks are rare as hen's teeth. Needless to say, just after these were taken, she got the cocks she demanded...

CASSIE

Cassie has the kind of twinkle in her eye that simultaneously says 'Don't be so rude, my husband will be home in a minute' AND 'Hurry up then, my husband will be home in a minute'. So, which is it to be? Well, luckily, she has the kind of mouth that actually says the latter. Sorry, hubby, you snooze, you lose...

Florida fuckstress Prinzzess, one of Girlfriends Films' fabulous contract cuties, has made natural-looking lesbian loving into a real artform. We hooked up with her to find out what floats her royal boat…

Hi Prinzzess! Firstly, an easy question: what were you doing before and what made you decide to embark on a career in porn?
Prinzzess: It wasn't exactly a conscious decision. I always wanted to model and doing the nude modelling was fun – it also showed me the great potential of the adult modelling world, which I jumped at the opportunity to get into. Before I started modelling I was a cashier at Publix grocery store, then when I started, I also managed and ran a pool cleaning business partnership. That lasted for the first 4 years of my modelling career.

How are you different from other girls in the industry?
Prinzzess: I'm very goal-orientated; I don't live the model/party lifestyle. It's work and I treat it responsibly, just like I would any job.

Do you remember your first scene? Were you nervous the first time in front of the camera?
Prinzzess: I had done solo work before, but I shot my first girl-girl scene was when I was 18 and it was with Jessica Jaymes. That was the only girl-girl scene I did until 3 years ago, when I decided to start doing them more often; and yes, I was nervous, but also very excited to work with Jessica!

Have you done any interesting shoots lately?
Prinzzess: *Girlfriends Films*, who I'm a contract performer with, recently shot a movie in Florida, where I live, and I got to work with them there rather than flying out to Los Angeles, which was a nice change. It was a fun shoot, with very nice girls to work with!

What has been your favourite experience working with Girlfriends Films?
Prinzzess: The people that make *Girlfriends Films* are all amazing, professional, easy to like and make sure that all the girls are happy too. Also, I love the fact that they made me their contract star, along with India Summer!

How does working for Girlfriends Films differ from working for other studios and production companies?
Prinzzess: They their scenes really naturally – they don't rehearse positions, plus cutting and directing are avoided as much as possible, so as to let the girls do what they enjoy. It gives it a 'natural real sex feel' that most other porn studios just don't get.

Would you consider yourself bi-sexual in 'real life'?
Prinzzess: Yes, I love both sexes, and I prefer a bigger variety of women than men.

Do you have a boyfriend (or girlfriend) right now, or are you single?
Prinzzess: I am actually currently dating India Summer and we consider ourselves engaged. *Girlfriends Films* are supposed to marry us in a scene soon… Maybe when we shoot my first anal debut scene with India!

How did your friends react to your career choice?
Prinzzess: There wasn't much reaction at all. It's just like any other career – as long as I'm responsible with it, they don't care if it's adult-orientated.

What have you learned about sex from your adult career so far?
Prinzzess: Have fun with it! I've also learnt a lot of role-playing parts, which often makes my sex life at home quite interesting!

Do you have any sexual fantasies that you haven't fulfilled yet, either on film or in your personal life?
Prinzzess: I want to have sex in a steam sauna! I think everything else I fantasised about got accomplished already.

Lucky you! What type of scenes do you enjoy the most?
Prinzzess: I love the sensual, seduction scenes, but if I'm in a playful mood I like to play rough; be pinned down and teased till I'm begging to get fucked, but not getting fucked till after I cum. That's one of my fave ways!

We're glad we asked! What's your favourite nasty act?
Prinzzess: I love giving blowjobs! I also love anal in my personal life…

Is there anything you wouldn't do on film?
Prinzzess: I won't do any men on film.

Damn! In your opinion, what is good sex?
Prinzzess: Good sex, to me, is when two

people have good chemistry together and when your partner is really tuned in to exactly what it is they do to push your buttons and make your blood boil. Also, having a partner that can show you when you're pushing their buttons, and what drives them crazy!

What do you think you're best at sexually?
Prinzzess: I'd have to ask my partners on that one...

How often do you masturbate?
Prinzzess: It all depends on my mood. If I'm bored I might every day – like if I'm stuck in a hotel all day, while on the road feature dancing – or sometimes I have 'horny' moments, where for a week or a month, I'll want to masturbate every day if I don't have sex. Then, at other times I'll go a while without masturbating at all, so it totally varies!

Do you ever cum when you're shooting?
Prinzzess: Yes, frequently!

Are you into group sex?
Prinzzess: I prefer foursomes over threesomes, but I prefer one-on-one the best.

What's the largest number of blokes you've fucked at one time?
Prinzzess: Just the one!

Honestly now, does size matter to you?
Prinzzess: Yes! Too big is not good! It just won't fit and I rather like feeling balls deep…

Our kinda gal! What turns you on?
Prinzzess: Hmmm, teasing, or making me work to get what I want, if it's just out of reach.

What turns you off?
Prinzzess: Pushiness, show-offs, guys trying to act tough.

Do you watch porn when you are at home?
Prinzzess: I like watching porn during sex, and sometimes while I masturbate.

Were you a fan before you started out in the sex biz?
Prinzzess: I always liked porn, so yeah, I guess I was and still am!

Generally in your life are you dominant or submissive?
Prinzzess: I like both roles. I like being controlled during sex, but I also can get aggressive and take that control right back.

Who is your favourite performer that you've worked with, and is there anyone you would like to work with in the future?
Prinzzess: India Summer is my favourite, but I want to work with Sunny Leone and Sophia Santi.

We don't blame you! What are your plans for the future?
Prinzzess: I want to have a huge house on my 200-acre farm, in Belize. I'd like to practice veterinarian work as well, living in Belize part-time, the other part in Florida.

Do you have a website or another way for fans to get in touch with you?
Prinzzess: My website is ***FelicityJade.com***. You can also catch me at ***twitter.com/realprinzzess***.

Pole Position!

Okay, before I start telling you boys what happened to me on my lapdancing shoot, I really want to stress that I'm totally not the kind of girl who lets anyone get his hands on her after an hour of chit-chat. Seriously. I was brought up well, nice middle-class girl, and I've never been a slapper. Yeah, yeah, I know you'll take one look at my boobs and these dirty pictures and say, "Yeah, right" but it's true. I've always treated my modelling in a very professional manner and I've always treated my relationships in a very serious way. It wasn't till I was twenty that I lost my virginity, and that was to a guy I'd been seeing for three months, so you can cast those aspersions aside, thank you very much. That said, what I'm about to tell you kinda goes against all that, cos it was the slaggiest thing I've ever done, and I don't regret it one bit!

I got booked in on a pole-dancing shoot and the first thing I thought when I got the email from my agent telling me about it was, "Brilliant. Now I have to learn to pole-dance." I'd never done stuff like that – my modelling has always been a sideline to the nurse training I do in real life, and gyrating on a load of horny businessmen's laps wasn't ever part of that plan. So I went round my mate Sarah's house and asked if I could spend a couple of days practising on the pole she has in her garage, which she always claimed she uses for exercise (believe me – one look on her hubby's smug face and I knew he got free dances from her as a treat for installing the thing).

After a crash course from Sarah, I felt confident enough to commit to the job. I showed up at the studio and met with the photographer, Richard, who was gonna be snapping me that day. A good-looking guy, early forties, a bit scruffy, but really nice and charming. His assistant plastered the required make-up on me, decked me out in the slutty gear that you have to wear for these shoots, then buggered off to the next room to watch telly while I put on a show for Richard.

I guess I should point out at this time that I'm very happily engaged to the guy I've been with for the last two years, and that neither of us had ever considered straying. Until the day I took these pictures.

Yep, I don't know what it was about Richard that made me forget my fidelity, and it wasn't cos I was on a shoot and just thought 'what the hell'. I've been on plenty of shoots in my time, and never even considered wanking off the guy taking the photos. Even when I've been asked to (It happens as often as you'd imagine). And yet, something about him made me tingle and imagine what it would be like to be fucked by him.

Ironically, Richard wasn't giving me any come-ons whatsoever. He was a total pro, sorting out the angles, the lighting, getting the best shots he could as I slid myself up and down the pole in the studio. Maybe that's why I wanted him so badly – simply because he wasn't trying to seduce me.

It was when he came in for some close-ups that I decided to let my feelings known. I started rubbing against his thigh and softly moaning, just as I imagined a real lapdancing gal would do. He look confused, and kept snapping, but I upped my game and rubbed harder, straddling his thigh and grinding against his jeans. There was just the thin fabric of my silky black knickers between the lips of my pussy and his jeans, and I could see that I was leaving a moist stain on his thigh. He looked down and saw it too, and that's when I reached for his crotch and rubbed his dick. It went from soft to hard in seconds. I thrust my tits in his face and kept my hand on his cock, waiting to see what kind of reaction I'd get. Luckily, it was the one I wanted.

Richard put the camera to one side and immediately grabbed hold of my body, running his hands along my curves and staring intently at my tits. Think he must have been a boob man. I pulled my bra off completely and let him suck my nipples as I freed his dick from his trousers, pulling them down in one motion. With the TV from the next room in my ears (Jeremy Kyle I think – it was a morning shoot) I sank to my knees and took Richard's nice big cock in my mouth, swallowing it into the back of my throat and working the shaft with my hands.

I guess he wasn't prepared for my excellent technique (I can bring my fiancée off in under two minutes!) cos he started to spurt pre-cum and buck his hips before I'd barely got started. I wasn't having any of that, so I pulled away and told him to hold it. Bashfully, Richard held back from coming, and I pulled the lacy material between my legs to one side and stood back up with my back to the pole. I grabbed his throbbing dick and slid it into my juicy, wet cunt. Richard gasped and started to thrust. I knew I didn't have long, so I started grinding my clit against him as he dick spread my lips apart. I closed my eyes and rubbed for all I was worth, hearing the squelching sound as he bucked in and out.

I guess it was around this time I suddenly started thinking about my fiancée, and how heart-broken he would be if he could see me doing this. I felt so awful, I'd never done anything like this before, and yet I carried on grinding against this virtual stranger's hard cock, feeling him squeeze my breasts, nearing my orgasm as he began his. Yes, we hadn't been at it for more than a couple of minutes when Richard started moaning aloud and thrusting erratically. He clutched me tight and started flooding my pussy with jizz, really hot squirts that I could feel filling me up. That set me off – despite the terrible feelings of guilt that were washing over me, I started to climax. My butt cheeks were spread apart by the pole behind me, and the feel of the cold metal up my back was a relief against the shot of heat that ran through my body. I came really hard and screamed. So much so that the assistant in the next room audibly turned the telly up. She must have known what was going on. Glad it wasn't Richard's missus. Hell, maybe it was!

Anyway, we both shuddered and sighed as we shook the last drops of juice from each other, and then we quietly pulled away from each other, both of us a little shocked at what we'd just done. Richard could barely look me in the eye. And I have to admit, the real guilt kicked in then, just as his semen started dripping from my wet cunt. I picked up a towel and started wiping it from me, along with my sweat, and thought of my guy at his office and how happy he'd be to see me at the end of the day. Yeah, what a bitch.

Richard paid up and I left the studio, resolute I wouldn't take any more bookings with him. And that night, when I got home, I fucked my fiancée so hard and well that he didn't know what hit him. You could argue that my little dalliance rejuvenated our sex lives. I feel bad about it, and I'll never tell him what happened, but it was a day I won't ever forget. Every now and then I'll play with myself while I think about it. In fact, I'm really wet right now…

Los Angeles babe Kate has spent a lot of her career in the limelight being blonde and sexy and teasing us without ever delivering that freeze-frame moment. Until now. Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...

Okay, 'porn' is pushing it. Corinne Russell, however, is most definitely a legend of glamour. The Brummie babe made her Page 3 debut in 1982, and didn't hang up her boobs until 1990. In that time she made some 189 appearances in *The Sun* and *Daily Star* combined, and was a huge reader favourite. She was also lured towards the top shelf, appearing in *Mayfair* in 1984, the mag making the most of her appearances as a Hills Angel on *The Benny Hill Show*. Christ, it was a different time, wasn't it? We also enjoyed her in Kenny Everett and Dennis Potter's sexual drama *Blackeyes*. But it was those perky puppies that lured us back to Page 3 again and again, that and her appearance on the cover of the ZX Spectrum computer game *Vixen*. Those were the days…

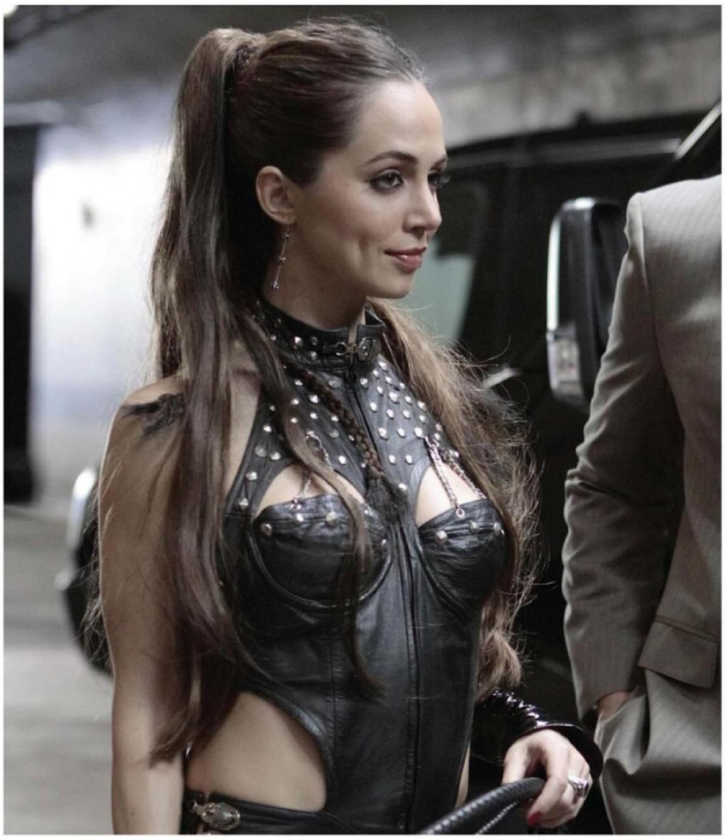
The Beautiful Game

The Female Fantasy League

This is one league that's totally unpredictable! Women reveal the XXX-rated fantasies that really turn them on… *by Rose Crompton*

Have you ever wondered what your woman is thinking about when she closes her eyes during sex? Well it certainly isn't England, or a man in uniform if saucy read *Garden of Desires* is anything to go by. Emily Dubberley, author of the book and founder of *Cliterati.co.uk*, asked women from around the globe to share what they fantasise about during nookie – solo or with a partner – to help get them off.

"If a man wants to know what goes on in women's minds, *Garden of Desires* has 425 different women's fantasies to choose from," says Dubberley. "While every woman is different, it gives a good insight into some of the most common female fantasy themes," and they're downright, erection-inducingly hot as these sexy seedling sized fantasies taken from the book prove just how imaginative women get when it comes to sex...



THE SUBMISIVE

'The slave auction is very much part of my fantasy repertoire. I am standing in a line with several other girls on the auction block. One by one the slave trader calls us out to the front to inspect us for the audience, exposing our breasts, our bottoms, our sex, stimulating us in various ways to see how responsive we are. I watch nervously down the line of girls, dreading and anticipating my own turn. Some girls resist and he punishes them, which makes me even more frightened and aroused.' ***Rose de Fer, erotic author***

'My current favourite involves being a serving maid in a big Victorian house and being used as a sex toy by the entire household.' ***Robin***

THE DOMINANT

'My boyfriend is very dominant but in fantasy I imagine he's handcuffed to a chair and unable to move. He asks me to unlock the handcuffs but instead I do a slow strip for him, making him horny even though he's angry at my defiance.

I undo his jeans and his cock sticks out. I start to wank him, but as soon as he starts to moan I stop and straddle him, rubbing his cock all over my clit. I use his cock to make my clit nice and swollen and then slide it between my lips and rub myself up and down against him, grinding rather than letting him slide inside me. He's forgotten his anger entirely now and is bucking his hips forward trying to slide inside me but he can't position himself properly because he's tied up.

By now, I'm really slippery and I love the feeling of him against my pussy. I keep on rocking until I come all over him and then leave him tied up and frustrated. I like the idea of him being there hard and horny ready for me to use whenever I want.' ***Lisa, 27***

THE EXHIBITIONIST

'I love to think that our neighbours are watching us have sex... Or I love to fantasise about going to a swingers club by myself. My favourite is to think my neighbours can see me... and that sometimes they come over and join in... with the husband watching his wife lick my clitoris. I like to picture him holding me down while she pleasures me. I've told my husband so he vocalises that he can see people watching us.' ***Sue, 44***

From Fantasy to Reality Emily offers some words of wisdom for those wanting to turn fantasy into something more tangible...

1) Remember fantasy and reality aren't the same thing. An appealing idea doesn't necessarily mean it will translate into the real world. Take it step by step.

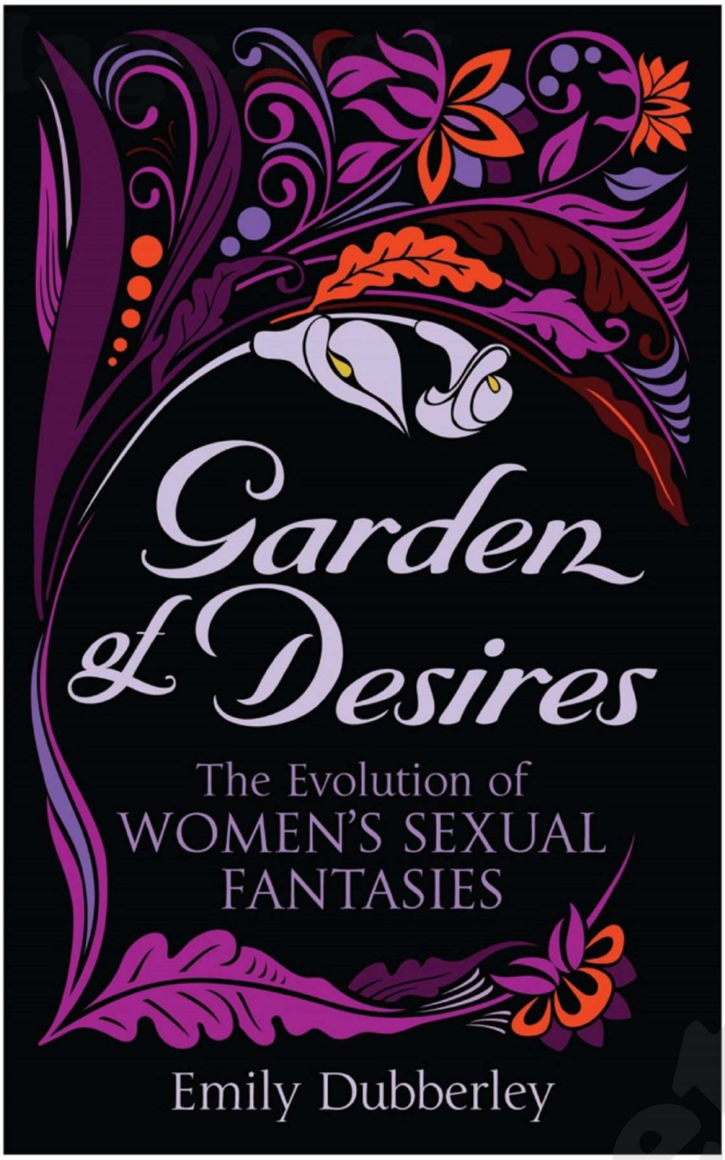
2) If she likes the idea of being dominant, be clear about your own limits before you start playing. Set up a safe word first, or use the traffic light system where red means stop, amber means dial it back and green indicates to carry on.

3) If public sex gets her off, make sure you're somewhere you won't be disturbed.

4) For group sex, make sure you read up about it first to understand the emotional complexities – some couples happily practise group sex, whereas others find it introduces insecurities.

5) Don't judge your partner for sharing her fantasies. Even if they're not for you, she's sharing something intimate. Many women have multiple fantasies, so even if one doesn't work for you, there may be other parts of her erotic imagination that tick every box.

Want to read more? Buy *Garden of Desires: The Evolution of Women's Sexual Fantasies* by Emily Dubberley from ***Amazon.co.uk for £7.69***.



THE CROWD PLEASER

'Tasting myself off many penises. There would be about ten men of all races, set up in a circle around me. A curtain would be concealing them all except their penises would be protruding through holes, into the circle so that there would be ten penises in various states of excitement, all blindly waiting to be exercised. I like to put them inside me then pull them out and put them in my mouth. I like the changing taste of myself after the sex has gone on for a while. Finally, I would have them, one by one and silently, ejaculate in my mouth. Then I would carry that semen to the next penis and perform oral sex on it without the owner knowing what I know about the "lubricant".' ***Anon, 33***

SANDRA & LUCY

You wouldn't know that this was the first time Sandra and Lucy had met, would you? They got on like a house on fire. In fact, they generated more heat than a house on fire and we had to turn the hose on them. Also, because we really, really wanted to see them wet when they fucked each other...

Rachel WEISZ

We featured Miss Weisz in these pages recently, but then we unearthed some pictures from the little-seen 2009 film *Agora* that we had to share. In fact, why make excuses? We just love Rachel and could spend most of the day staring at her beautiful British bod. In fact, that's what we're going to do, starting... NOW!

HYDE and SEEK!

Girls Behaving Badly

Starring
Angel Long, Shay Hendrix, Rebecca More, Karlie Simon, Paige Turnah, Seb Cam, Ian Tate, Omar, Danny D

Directed By
Tanya Hyde

Available From
Harmony Films

Angel Long, recent of this parish, is the main reason we blag our way onto the shoot for Tanya Hyde's *Girls Behaving Badly*. Well, that and the fact that we always have a blast on Tanya's sets. After all, if we tire of Angel (which we won't and don't) we can go cast our eyes over Paige Turnah or Shay Hendrix, can't we? Not that our eyes are in any fit state after they've popped out watching Angel Long take on two dicks that can only be described as 'being on the large side'. Dealing with Danny D's dick is one thing – it's more than enough for most girls – but then Omar comes along and inches his into her bum. It's eye-watering stuff, but Angel just eggs them on to fuck her harder. Is it any surprise that this is a girl who has won awards for bumsex? Attagirl.

The other scenes we witness aren't as intense – how could they be? – but they sure make for a sweet way to pass the time. Paige Turnah and her mighty bum are in effect, and having heard rumours she may soon retire, we don't even allow ourselves to blink while she's at work on her wang. We behaved ourselves very well, but as for these girls? Shocking…

"Paige Turnah and her mighty bum are in effect as she works on a wang!"

Welcome to Mexico. Please ignore the headless corpses of our countrymen and enjoy these ladies...

SEX-MEX!

Adult Sport casts its net wider than ever to bring you the finest screen sorts from all over the world. This month we travel to Mexico, perviing over their women and trying not to get killed in a drug war…

ANA DE LA REGUERA

Ana de la Reguera was born in Veracruz, which apparently is a place and not the name of a woman from Yorkshire who got married on holiday in Cancun. The 36-year-old is best known in her native Mexico, but eagle-eyed viewers of HBO sitcom *Eastbound & Down* copped an eyeful of her when she played Kenny Powers' on-off girlfriend in season 2. She's also in *Nacho Libre* but came to prominence in Mexico acting in telenovelas, which is a soap opera with a sombrero on. As for nudity, 2006's *Asi Del Precipio* is the one to seek out – she's completely starkers in it, and has a taut body that had us losing our guacamole.

KITTEN NATIVIDAD

Kitten (real name Francesca) was born in Ciudad Juarez back in 1948, and is known and loved as the one-time partner of sexploitation director Russ Meyer and as the mega-titted star of some of his 'movies'. Meyer's 1976 *Up!* was her nude debut, but her first starring role was in *Beneath the Valley of the Ultra-Vixens* – during the making of which she left her hubby and shacked up with Meyer. But that's not all – she was a feature dancer, sexy wrestler, danced at Sean Penn's bachelor party before his marriage to Madonna and starred in a smattering of hardcore mags and films, sharing a scene with John Holmes. There's lots of Kitten to get your chops round, but start with *Up!*, *Ultra-Vixens* and 1983 sex comedy *My Tutor*. Miaaow!

LAURA HARRING

Laura Harring has had a fascinating life. The 49-year-old actress was born in Los Mochic, Sinaloa, but after the family moved to San Antonio, Texas, a stray bullet from a driveby shooting left her with a head wound. However, she went on to become a beauty queen, winning Miss El Paso USA and Miss Texas USA before marrying Bismarck's great, great grandson and then becoming an actor. Blimey! It was bit parts galore until she showed us her bits and parts in David Lynch's brilliant *Mulholland Drive*, sharing steamy lesbian scenes with Naomi Watts. With that and 1989's *Silent Night, Deadly Night*, Laura is hotter than a jar of Jalapenos!

MARTHA HIGAREDA

Martha hails from Villahermosa, Tabasco, and she's just as spicy as, you know, Tabasco. Other condiments are available. She became a theatre actress, before moving onto adverts and then Mexican soaps. Her first movie was in 2002, Fernando Saninana's *Amarte Duele*, and she saw fit to give her top tacos an airing – and lovely they are as well. More boobage was deemed necessary in 2007's *The Wind of Fear* and 2007's *Charm School*. Hollywood beckoned – well, *Street Kings* and *Smokin' Aces 2* – since when her chimichangas have been pretty much under wraps.

SALMA HAYEK

Mexico's most famous A-list star, Salma is from Coatzacoalcos, and was also a telenovela star before moving into films. She's done comedy, she's done drama and she's done sexy, with a CV that includes *Wild Wild West*, *Desperado*, *Frida*, *Dogma*, *Grown Ups*, *From Dusk Till Dawn* and recurring TV roles in *Ugly Betty* and *30 Rock*. But hey, you're wondering, are there any films where she shows what's south of the border? Well, yes. Yes there is. Will the nudity in 2006's *Ask The Dust* do? No? Then check out the aforementioned *Frida* and her surprisingly big boobs get an outing in 1995's *Desperado*. We're desperado to see more of her dugs…

Mia
AUSTEN

Mia Austen. Who is she? What's she in? What's she up to? Well, let's be honest – we don't know. She was never on our radar until she popped up in *Summer In February* this year, and we had to admire her British pluck as she got nude on her debut on a choppy British coast. It's more than we'd do for art.

Usually, when you come across a sofa in a field, it's because some scumbags have thrown it out. But once in a while you come across one artfully placed so that a girl like Shyla can play with her perky boobs and soaking wet slit on it. You know, that kind of sofa. Look hard enough and you'll find one...
